Obaidur Rahman

Full Stack Web Developer | Microsoft Dynamics 365 Developer | Browser Extension Developer

Mirpur, Dhaka, Bangladesh

Summary

11+ years of experience in IT (Software Development) industry, graduation (BSC) in Computer Science and Engineering and post graduation (MSC) in Computer Science. I have got extensive experience in full stack web development, database design and development, Microsoft Dynamics 365, and others. I am passionate with JavaScript, Typescript, React, Angular, Vue, NodeJs, etc.

Frontend Technologies
* JavaScript
* Typescript
* React
* Angular
* Vue
* Browser/Chrome Extensions
* HTML
* CSS, SCSS, SASS, LESS, etc.

Backend Technologies
* NodeJs
* Express
* NestJs
* PHP
* Laravel
* Lumen

Databases and ORM
* Relational Database (MySQL, PostgreSQL, etc.)
* NoSQL Database (MongoDB, Firebase, etc.)
* ORM (Sequelize, TypeORM, Prisma, Mongoose, etc.)

Microsoft Dynamics 365
* Microsoft Dynamics 365 for Customer Service
* Microsoft Dynamics 365 for Field Service

* PowerApps, Model Driven Apps, Canvas Apps, Workflow, Business Rules, etc.
* Writing Custom Plugins, Custom Workflow Activities, Custom Actions, etc. using C# and .NET
* Writing Custom JavaScript Functions and Custom Web Resources
* Writing custom Applications using Microsoft Dynamics 365 SDKs, Web API, OData, etc.
* Integrating Microsoft Dynamics 365 with other systems using Web API, OData, etc.
* Integrating Microsoft Dynamics 365 with SharePoint using SharePoint APIs

Cloud infrastructure
* AWS (EC2, S3, Lambda, etc.)
* Azure (Web Apps, Functions, Blob Storage, etc.)
* Digital Ocean (Droplets, Spaces, etc.)

Hands on Experience
* Python (Django, Flask, etc.)
* C# (.NET)
* ASP.NET (MVC, Web API, etc.)

Other Skills
* ServiceNow Development
* Mobile App Development using React Native, Ionic, etc.
* Desktop App Development using Electron.js, etc.

Version Control
* Git
* GitHub
* BitBucket
* Azure DevOps

Project Management
* Jira
* Trello
* Azure DevOps
* GitHub Projects

* BitBucket Projects

Editors
* Visual Studio Code
* Visual Studio
* Sublime Text
* WebStorm
* PhpStorm, etc.

Communication Tools
* Emails
* Slack
* Microsoft Teams
* Skype
* Zoom
* Google Meet

Design Tools
* Adobe Photoshop
* Figma
